and districts submitted in the 2018-19 1
Funded (i.e. Program Based), and Privat

The county identified on the district pag

Non-numerical values in the Total Enrollment columns of the District and School tabs

No data submitted.

The school was open during the year identified but was not open as of the first school day in October.

The school existed in 2017-18 but their administration was under a different district than identified in 2018-19.

There are no data indicated for the 2017-18 school year because the institution did not open until 2018-19.

There are no data indicated for the 2017-18 school year because the institution was closed and reopened in 2018-19.

Institution was closed in 2018-19.

The institution existed in both years but under different institution IDs.

Institution transferred students to another school for 2018-19.

The institution has no data for the 2018-19 school year because it merged with another school and is reported under that school's ID number.

The institution merged with a high school in the same district to create a combined and/or charter school.

Due to a policy change, programs are no longer identified with a unique ID.

The institution changed from a program to a school or vice versa.

cludes all students (regardless of funding source) in grades K-12 on October 1, 2018 for all attending programs, schools, .st Period Cumulative ADM data collection. Funding sources includes State School Fund Formula Based, Fully State e Tuition.

ge is the county in which the District/ESD office is located. Some Districts and ESDs span multiple counties.
